Dear women in Nepal,
dear Nepal people,
dear Sarita, dear Durga,
dear supporters of the 2nd World Women's Conference of
Grassroots Women 2016 in Nepal!

CC: to the coordinators and deputies worldwide of the World
Women's Conference

We as members of the newly elected Militant Women's Council
have have today met for the first time after our successful
11th Women's Political Counsel.

Just now Monika Gaertner-Engel, European coordinator has given her report about the exciting 4th worldmeeting of coordinators in Kathmandu, which we found very inspiring for the 2nd World Women's Conference.

With deep dismay and concern we have now heard about the very grave earthquake in Kathmandu and the surrounding country.

Our thought are with you and we are sending you a solidarity message with comes from the bottom of our hearts.

Essen, 25 April 2015

in the name of the Militant Women's Council
