

Caracas, March 5, 2011.

Themes of the World Conference on women of base Venezuela 2011.

Women from indigenous peoples and nationalities

Oppressed nations.

Women against racism and xenophobia migrants.

Meeting gathered representatives of the following countries: Germany, Argentina, Afghanistan, Chile, Italy, Ecuador, Dominican Republic, Canada, Venezuela, Switzerland, Morocco, Egypt and Kurdistan.

Grassroots Women took the following agreements:

- Respect for the various visions of analysis of the reality on the worldview, the mythical and finally materialism dialectical in this regard intends undivided by raised positions because what unites us truly the solution to the problems affecting women in all areas.
- Promote the creation of spaces and the implementation in the educational systems of the countries oppressed the revaluation and claims and the revitalization of the ethnic cultural identities of the Aboriginal, indigenous peoples and Africa descent, taking into account that it has been devastated and people uprooted by models of capitalist development in the context of a construction of a new dialogue intercultural among the countries of the world.
- Amend Praxis historical debt that is Aboriginal afro descendant.
- Forceful rejection of the transnational corporations that have only had capitalist neo vision colonizing, regardless of the destruction of the ecosystems of the Pacha Mama .is say mother earth.
- Eradicating discrimination and xenophobia of Aboriginal people and Afro-descendant women
- Request categorically revolutionary and democratic Governments with tendency of left accompaniment and support for social movements of women based on the different parts of the world, without losing its independence, and thus allow the advance construction of Socialist equality.
- Reject the conception centrist euro - neo colonialist that invades the peoples of the world.
- Lay strong foundations of the cultural reality of the indigenous populations, direct them in the dialectical development in support of the consolidation of socialism as the only system that allows to provide you quality of life, respect and preserve them for future generations.

- Rescuing and preserving the languages of indigenous peoples of the world.
- Highlight the value to the work, artistic, aesthetic, creation of the women of Aboriginal peoples - ethnocentrists.
- Banish the capitalist system that so much damage has been caused, to those peoples oppressed, who have constantly been attacks of various kinds underline, plundering its riches, abusing their women, imposing a doctrine filled with alienation and stripping them of their lands in the cruelest way.
- Recognize and defend cultural diversity, respect for and the integration of Aboriginal people and Afro-descendant women.
- Dissemination of the reality of the European Community in the embassies or social organizations in the countries of origin of migrants and countries claiming to be developed to migration policies that so people are forced to leave their country to be informed of the problems you may face such as. Language, isolation, discrimination, individualism, egoism, super exploitation, intra-family and sexual harassment.
- We reject the immigration policies of developed countries and the European Community.
- The right to the mobilization is international, emigrating is not a crime, the struggle for the survival of the emigrants, as the work is a fundamental human right.
- We ask the recognition and legalization of the work of the "Indocumentados" women around the world that no human being is illegal.
- El recognition of studies and work placement in developed countries with the respect that we deserve in our condition of qualified women.
- Become multiplier agents of the proposals in our communities, through community networks to strengthen the women's organization of basis as generators of changes required for the construction of future generations as well.
- Create spaces for the collection of historical documents of the cultures and traditions of indigenous peoples and Afro-descendants in order to safeguard their ancestral knowledge...

- Create a front in international solidarity of women in defense of the Socialist process Bolivarian and all those revolutions than to bring about the unity of women and men with an internationalist vision for the fight against capitalism. .
- Require the derogatory of all those laws that generate discriminatory elements against women
- To enforce the treaties regarding the protection of maternity
- Eradication of racism, xenophobia
- Criminalize fathers who commit rape of children, youth girls of the womb.

Realization of a web page to continue the fight, as well as also to activate we need anytime unitedly.

- We are proposing far-reaching agrarian and urban reform - land to anyone who wants to work and decent housing. Health, education for all.
- Eradicate the triple discrimination and xenophobia of the woman by her class, gender and ethnic group of indigenous peoples - Afro-descendants, abuse, exploitation, cruelty.
- Repeal all laws that generate discriminatory elements.
- Every human being has the right to live wherever worthy equal.
- Internationalist policies to preserve the human rights of women belonging to indigenous peoples, people of African descent in areas of military conflict.
- Integrate the curriculum of the educational systems at different levels and modalities, elements of indigenous peoples claim – Africa descendent and oppressed nations of Latin America, Africa, so, while Europe is a profound training in all the direct responsible of education to bring about a change in the culture of upbringing patterns of the families.
- Women of native peoples - people of African descent, nationalities, and oppressed Nations, we agreed that our oppression has been generated by the capitalist system - imperialist and that with the organized struggle of women we can beat it.

- Confront the capitalist system that also uses social organizations as instruments of domination, we need the addition of more women's movements of dock anti imperialist accompanied by revolutionary Governments such as those organized in the ALBA.
- That all social organizations in the world must demand our Governments the enforceability to be honor international agreements with accompaniment and economic contribution to the reduction of racism, xenophobia, intolerance of all forms of discrimination especially towards peoples and nationalities Afro-descendant indigenous women and diverse.
- Solidarity with the struggle of the peoples of the Middle East and North Africa.
- International solidarity with the proletarian revolution in their constant struggle for significant claims.

The workshop agree in an orderly fashion as well as tribute was also paid to companion Lina Ron, who in life was member of the partido Union Patriótica Venezuelan UPV. Solidarity with the comrade.
