

Decisions of 4th European Conference in Elefsina/Athens 31.01.15

We agree on the most important steps towards the World- Women's-Conference

1	We use the three days of struggle and activities – March 8 th , Mai 1 st and November 25 th and all activities in our country to make the World Women's Conference publicly known as well as for mobilizing many participants and immediately start collecting donations.
2	We plan the elections of the five delegates, decide on the mode of election in our country and inform the world-coordinators about the delegates before 1th December 2015.
3	We organize the inscription of many participants until 1 st December 2015 and inform the world-coordinators about their number.
4	We write the country report about our country and send it to the world-coordinators in the English language until 8 weeks before the World Women's Conference at latest (10 th January 2016).
5	We cooperate with the young women for organizing the song contest.
6	We finance the participation of our delegations autonomously and try to support women from other continents with donations.
7	We deliberate for which part of the program (workshops, demonstration, choir ...) in Nepal we take over special responsibility and inform the world-coordinators about it until 1 st October 2015
8	We organize all interpreters, which the women from our country need in Nepal (apart from those of the general assembly) and win further interpreters for the communication in the preparation and for the general assembly.
9	We plan our contribution for the common cultural evening/event of Africa / Europe and coordinate this Europe-wide together with the African coordinators.
10	We mobilize brigades for the preparation work in Nepal starting four weeks ahead of the conference.
