Solidarity to the participants of World Women´s Conference

Dear sisters worldwide,

dear participants of the World Women´s Conference

There is no freedom for every single woman until every woman in the world has got power over herself.

Women´s solidarity is the basic for women´s freedom.

Women´s solidarity is resistance against Patriarchy.

Feminist greeting from the board of German´s Feminist Party
Feministische Partei DIE FRAUEN

Margot Müller, Sabine Scherbaum, Adelheid Wohlfart
